wonderful book.”.

Prairie Evers - by Ellen Airgood

Ellen Airgood is a story teller. This book is engaging, realistic, and complex. That is a pretty darn good mix for a middle-grade novel. Her character development is strong. Granny, Prairie, and Ivy were spot on. The issues explored are important and relevant. I recommend it to kids in 3rd or 4th grade through 7th ish.

I think all of us can relate to the conflicts and accomplishments of Prairie Evers. I was surprised to find the story as enjoyable as "South of Superior". I hope Ellen Airgood continues to write because I feel like I cannot get enough of her stories. When I finish a book I particularly enjoyed, I want to move on to another story by the same author.
